5th edition

It's going to be a great beer week!

This year's edition of Belgium Beer Week is going to be even bigger and better in Belgium and around the world.

Whether you are a craft beer bar, brewer, bottle shop, beer club, event organiser or a traditional brown bar, be bold and join us in an opportunity to attract beer lovers by creating unique experiences over seven days of fun.

This year we will promote visits to the many beer museums and collections across Belgium as part of our focus on culture. Talks and events featuring beer history are welcome. We will also feature international venues in Europe and elsewhere.

You get:

- » Promotion on the BBW website and online calendar, in the press, on social media, at events and via our partners.
- » A page for each event, which you can personalise yourself with text, photos and logo, along with listing in our calendar.
- » Belgium Beer Week coasters, stickers and posters (In Belgium you can collect by contacting us contact@belgiumbeerweek.be / international participants can download digital versions and print as needed (<https://belgiumbeerweek.be/press/>).

You are responsible for:

- » Promoting your own business and events.
- » Adding your logo and events to the BBW24 online calendar.

Belgium Beer Week and Beer Idiots vzw do not collect any money from those who attend your event. If you charge money for an event, then be transparent with your visitors in your listing.
